

Prayer *Request*

Please write down your prayer request in the space provided below, and the pastor and elders will lift it up in their prayers together and individually. At Faith Presbyterian Church, we believe in the power of prayer, and are witnesses both to its efficacy and to the comfort it brings. Thus:

(1) If for any reason you would like to pray with the pastor and/or an elder in person, we are available for this purpose immediately following the worship service.

(2) If you feel the need of personal prayer support during the week, please feel free to contact the pastor any time, and he will be happy to pray with you over the phone or to visit with you wherever you are.

(3) If you have specially pressing and urgent prayer needs, a team will be assembled to visit you on request.

(4) Finally, if you are scheduled for surgery or for some sort of hospitalization, please contact the pastor, and he will be ready if at all possible to go with you on the day of your surgery and to visit you in the hospital afterwards.
